Daubert Cromwell Names Country Manager-Mexico

ALSIP, IL -- Luis Jacome has been named as Country Manager-Mexico for Daubert Cromwell, a global manufacturer of corrosion inhibitor packaging products for industry.

Jacome, who has more than 15 years of experience selling Daubert Cromwell brand VCI papers and films, will be based in suburban Mexico City, as well as in the State of Aguascalientes. He is responsible for developing business in growing VCI markets in Mexico, particularly among automotive and heavy equipment parts manufacturing and metals industries where corrosion prevention is critical.

Jacome and Director Global Business Development Scott Kotvis will work together to address the corrosion issues of key customers and prospects, providing them with a level of sales service, technical support, product training, application expertise, on-site evaluation and solutions recommendations that Daubert Cromwell provides to quality conscious companies worldwide.

He can be reached at ljacome@daubertcromwell.com, or call direct at: mobile +52 1 555 403 7198; Mexico City Area +52 1 55 8501 1281; Aguascalientes + 52 1 449 973 5151.
